

Sailing Instructor Training

December 2018

This is a comprehensive expedition-based training course, delivered as a fun and practical week of skills development, familiarity with our educational approaches and current industry practices. It is designed for group facilitators interested in working with skippering small boats:

- Professional development with experienced Outdoor Educators
- Upskilling and potential accreditation in sailing expedition leadership
- Sea School staff training intake – future employment opportunities

Covering the curriculum for the Level 3 Sea School Certificate - Skipper, which is also aligned with the new units currently being endorsed under the National Training Package. With the successful application of your skills logged over a minimum of eight days of assistant leadership in the expedition environment, you can be employed to independently operate as a Blue Peter skipper, and undertake RPL of the following sailing instructor competencies when they are released:

- SISOSAI002 "Sail small boats in partially smooth water and moderate to fresh wind conditions"
- SISOPLN002 "Plan Outdoor Recreation Activities"
- SISOFLD003 "Instruct Outdoor Recreation Skills".

Time and Dates: 0900 Monday 3 December – 1430 Friday 7 December

Venue: Southern Moreton Bay (camping overnight)

Cost: \$895 p/p fully equipped and catered

Questions: Speak directly with Jono on 0428 868 169
